## THE NEXT GENERATION CREAM LIQUEUR™

We're doing things differently. Tossing aside the spirits rulebook, we set about creating unique and flavorful products that can be enjoyed on their own or mixed with a variety of spirits and popular non-alcoholic beverages. Made with premium ingredients, each finely calibrated to perfection, these are cream liqueurs so well crafted you can taste the difference. Enjoy them morning, noon, and night.

### MANGO

Everyone loves mango. When mango is married with handcrafted rum and real dairy cream, you have a taste sensation that keeps you coming back for more. Inspired by Mango Lassi, this liqueur is like a vacation in a bottle. Featuring: Alphonso mangoes.

### COFFEE

A silky, creamy medley of rich roasted coffee notes and chicory, enhanced by handcrafted rum and real dairy cream, and complemented by the perfect touch of sweetness - our Coffee Cream Liqueur is the ideal addition to your day. Inspired by the popular Kaapi from South India & New Orleans style coffee.

### CHAI

A delightful symphony of Eastern spices and nuts, enhanced by handcrafted rum and real dairy cream. While creamy, it's also light and layered in flavor. Inspired by the Classic Indian Chai Spice, this unique liqueur calls for another sip, then another, and yet another. Featuring: cardamom, almonds, pistachios, saffron, rose & turmeric.
